

Whenever and wherever needed.

Countless lives have been saved since the first
military use of Blood Banks in World War I.

The Armed Services Blood Program
has carried on this tradition for 50 years by
responding to our military needs
in times of peace and war.

readiness . life . response

Help us take care of our own

Blood donations save lives.

The need for blood is greater than ever before.

Support us by promoting blood donations
among our ranks.
